

WICKED PLAN - Intense & Melodic Heavy Metal

Bio (long form // 1 page)

Natali and Dan established WICKED PLAN in 2012 with the clear vision to form of a high-caliber Melodic Heavy Metal band. The first seeds were sown already in 2008, but it needed a couple of changes in the line-up until the whole band was ready to bring the demanding songs to life. With their second album "Out of Fire" (2016) the band has revealed its musical passion: a blend of Heavy Metal and Classical elements with strong melodies and high intensity.

Natali Keller, the singer with the powerful voice, studied Music at the Academy of Contemporary Music (ACM) and brings a lot of Hard Rock and Heavy Metal experience to the stage. Influenced mainly by singers like Dio and Bruce Dickinson, Natali performs extremely expressive in all registers.

Guitar virtuoso and songwriter **Dan Keller** lets his guitar scream and sing. Dan's compositions and guitar playing are mainly inspired by Yngwie Malmsteen, George Lynch and the great composers from the Baroque period. Dan creates a distinctive blend of Heavy Metal and Classical elements with very strong melodies and high intensity.

Ed Cuennet entered the band in early 2016. He brought a new tone, drive and presence to the songs - powerful and melodic at the same time. With his experience of over 20+ years in various bands and musical styles Ed is an essential pillar of WICKED PLAN.

Ingemar Schübnel joined the band in late 2018 as new WICKED drummer. With influences from Death, Fusion, Classical and Indian music, Ingemar offers a lot of variety to the songs. He's driving the riffs and is responsible to set - together with Ed - the rhythmic basis for WICKED PLAN's catching songs.

OUT OF FIRE Album

In 2016 WICKED PLAN was on the "get WICKED" tour to promote the OUT OF FIRE album. Among other things they toured for 10 days in south-east Europe through Croatia, Bosnia, Montenegro, Serbia and Bulgaria.

For the official music video „Wicked Plan“ the band managed to engage the wild „Monsters of Metal“ for a common headbanging in the fantastic woods of Fribourg. The video has 11'000 views.
